Explanation of what the app is

Game and Army selector

Schedule assistant

I have no idea  
what to put in  
here but I want  
to keep the  
"flow" intuitive  
and similar  
across all pages

[Home](#)[Schedule](#)[About](#)[Contact](#)

**Warhammer 40k  
Army Selection**

**Dungeons and Dragons  
Class Selection**

**X Wing Faction Selection**

This area will populate  
with possible options  
based on the selection  
from the boxes
